The Permanent Secretary

Federal Ministry of Works

Mabushi District, Abuja, FCT

Dear Sir/Madam,

I am applying for the Administrative Officer I position within your Ministry. I have seven years' experience coordinating correspondence and procurement documentation across departmental units in the federal civil service.

In my current role I supervise three junior administrative staff and maintain full compliance with due-process procurement guidelines.

I would be glad to bring this experience to your Ministry and remain available for an interview at your convenience.

Yours faithfully,

Ibrahim Sule
