Dear Sir/Madam,

I am applying for the Mathematics Teacher position advertised in your recent notice. As a TRCN-registered teacher with five years' classroom experience, I raised my current school's WAEC Mathematics credit pass rate from 61% to 84% over three sessions.

I bring structured, exam-focused lesson planning and genuine enthusiasm for helping students who typically struggle with the subject.

I would be glad to discuss how I can contribute to your school's academic results.

Yours faithfully,

Blessing Iortyer
